4. KEY QUALIFICATIONS:

Mrs. Jasmina Macura is the Director in UHY Revizija. Mrs. Macura has over eighteen years of experience in auditing and prior to joining UHY Revizija was a senior manager with Deloitte in Serbia, in charge of the banking sector engagements. In her long career she has managed over 180 audits both in the country and abroad. Mrs. Macura was involved in the very first audit of the fourth largest bank in the Russian Federation. She, as an audit senior manager covered a number of statutory and international audits. Mrs. Macura managed, both ISA reviews and audits of the Electricity Company of Serbia, Oil Industry of Serbia, JAT Airways, and various utility companies (EBRD projects) in Serbia.

In 1999 – 2000 she managed a special audit of over 50 companies (under privatization) in Republika Srpska in respect of the ownership structure. Additionally, she has theoretical and practical skills in international banking, with a vast experience in auditing, corporate finance, due diligence and diagnostic studies for many banking clients such as: Vojvodjanska banka A.D., Novi Sad, Jugobanka A.D., Belgrade - group subsidiaries, Delta banka A.D., Belgrade, Razvojna banka A.D., Banja Luka, etc. She managed due diligence projects related to privatization.

Ms. Macura was a leader on the financial due diligence of Vojvodjanska banka a.d., Novi Sad for NOMURA. Also, she was a leader on the financial due diligence of Novosadska banka a.d., Novi Sad for Erste bank, Austria. Also, she was responsible for Project – World Year of Physics 2005 Europe, funded by the Commission of the European Communities; Project - Implementing the Activities for Support and Development of Women Entrepreneurship and their access to free labour market, funded by the European Agency for Reconstruction (EAR); Project – Forming of Program for Strategic Development of Tourist Industry in the Local Community of Vršac, funded by the European Agency for Reconstruction (EAR); Project – Business Assistant in the Small and Medium Sized Enterprises, funded by the European Agency for Reconstruction (EAR).

Aside from audit, Mrs. Macura has great experience in the field of market research. She also took part in projects such as introduction of marketing function in various domestic industries.
